

HIKE ACROSS AMERICA

THE SECOND CHANCE TOUR

Clean the World & Shane Johnson's
2018 Hike Across America - The Second Chance Tour

Clean the World®

Please join Clean the World, a leader in global health, and motivational speaker Shane Johnson on another impactful journey to help save lives.

The transition from military to civilian life can be a daunting task, one that finds many homeless and without direction. **Hike Across America "The Second Chance Tour"** powered by **Clean the World** and **Motivational Speaker Shane Johnson** is an initiative to **raise awareness for veterans experiencing homelessness** and the difficulties they face going from active duty to civilian life. During this 3,000 mile trek covering **10 cities in 10 states** Shane Johnson will **speak and inspire** communities, individuals experiencing homelessness, and corporations beginning **July 4th** through **September 11th** – from Las Vegas to Orlando – distributing **10,000 Clean the World Hygiene Kits** to homeless veterans in need. Finally, our **goal** is to raise funds to **purchase a home for a much deserved Hero in the Orlando Area.**
