## 2 Gather Supplies

To make your build a success, please have the following supplies on hand:

- Colored Markers or Crayons
- Packing Tape
- Table & Tablecloth
- Scissors
- Trash Bags
- Gloves & Masks

Your SOAP SAVES LIVES BOX will arrive at your doorstep in 7 to 10 days. Open it carefully as you will use it again to pack up your assembled school kits. Inside, you will find white boxes containing enough supplies to assemble your school kits. Please note: you may receive extra items in your SOAP SAVES LIVES BOX to ensure you have enough supplies.

Please contact Clean the World with any questions –

## 3 Prepare Your Room

We suggest using a dining room table or folding table to line up your display boxes. Always start with backpacks. The rest of the stations can be arranged based on your preference. After you unpack your SOAP SAVES LIVES BOX, place it at the end of the table to collect the finished school kits. You will use this box to distribute your kits to the charity.

Soap flakes may get onto the outside of the display boxes during shipping, so we suggest placing a tablecloth down first to protect your furniture.

Wash your hands and carefully open your SOAP SAVES LIVES BOX—you will be using it again to pack your completed school kits in! Next, take out each of the small boxes and line up everything on your table or counter.

At the beginning of the line should be your empty backpacks. The rest is up to you! Place your empty SOAP SAVES LIVES BOX at the end of the table to collect your assembled kits.

Here's how we recommend you set up your table (example only - some products may vary):

BACKPACKS | NOTEBOOKS | RULERS | HIGHLIGHTERS | HAND SANITIZER | ERASERS | GLUE STICKS | SOAP

## 4 Create Your Display

White display boxes are easy to assemble. Simply open the box and carefully push through the pre-cut top. Then fold down into the box. Once the white display boxes are set, place the SOAP SAVES LIVES BOXES at the end of the table for the assembled or finished kits. Don't forget to apply tape to pack up the boxes.

Clean the World will provide 3x5" notecards for your build. Start thinking about inspirational messages you want to add to your cards. This is a great way to spread love to the individuals receiving the kits.

Suggestions for notecard messages: "You are loved", "You Matter", and "Someone is thinking about you".

## 5 Start Packing

Package one of each item into a backpack, and place your completed kit into your now empty SOAP SAVES LIVES BOX. That's it!

# INCREASE YOUR IMPACT SHARE ON SOCIAL

You can exponentially increase your impact by sharing your experience with your social network! All it takes is seeing one post to inspire family, friends or co-workers to take action and get involved! Share how your event went and who you donated your kits to. It's that easy!

You can use the following hashtags:

#soapsaveslivesbox  
#washyourhandsbro  
#CleantheWorld

Tag @CleantheWorld on [Facebook](#)/[Twitter](#) and @clean\_the\_world on [Instagram](#) so we can follow along! Don't forget to check out our [Impact Gallery](#) to see updates on the difference we are making together.

Please reuse or recycle your white display boxes. At Clean the World, we love sustainability so check out some great ways to reuse your display boxes!

- Create a planter or weed barrier
- Use it for storage or a desk organizer
- Paint it or customize for a future display
- Be creative

## Celebrate, and let us know how it went!

We'd appreciate any feedback you have to make it an even **better** experience for you next time.
