

Clean the World®

AT A GLANCE FACT SHEET

AN INCREDIBLE OPPORTUNITY

Every day about 3,600 children worldwide die from preventable hygiene-related illnesses. Yet the hospitality industry discards millions of soap bars daily into landfills, damaging our planet's resources. Clean the World embraced this incredible opportunity, creating a truly sustainable and life-saving solution.

WHO IS CLEAN THE WORLD?

We are a social enterprise executing our mission to protect the environment and save millions of lives by leading a global hygiene revolution to distribute recycled soap and hygiene products to children and families suffering from high mortality rates due to the top two killers of children worldwide - acute respiratory infection (pneumonia) and diarrheal diseases (cholera).

Clean the World also eliminates needless waste from landfills and incineration plants, which contaminate our precious air and water supplies. Our hospitality partners are working hand-in-hand with us to create a more sustainable future.

Founded in 2009, Clean the World partners with 8,000 hotels and resorts to collect their used bars of soap. These goods are sanitized and recycled in an environmentally safe manner, and then distributed to children and families all over the world who are in desperate need of proper hygiene.

SOAP DISTRIBUTION

Since 2009, Clean the World collected and distributed hygiene products to more than 127 countries worldwide (including Japan, Philippines, Mongolia, Haiti, Nicaragua, Swaziland, Mali, Uganda, Honduras, as well as local shelters and relief organizations.)

Clean the World partners with major NGOs including World Vision, Children International, Floating Doctors, Samaritan's Purse and Harvest Time International.

Clean the World has responded to natural disasters with our Haiti Earthquake Relief Efforts (2010), Japan earthquake and tsunami response (2011), Hurricane Sandy (2013), Philippines tsunami relief efforts (2014), Hurricane Harvey, Irma, and Maria (2017) and Hurricane Florence and Michael (2018).

HOSPITALITY AND CORPORATE PARTNERS

- American Cleaning Institute
- Best Western International, Inc.
- Caesars Entertainment
- Fairmont Hotels
- Gaylord Hotels
- Hard Rock Hotels
- Hilton Worldwide
- Hyatt Hotels
- InterContinental Hotels Group
- Joie de Vivre Hotels

CLEAN THE WORLD: BY THE NUMBERS

- Distributed more than 50 million soap bars globally
- 127 countries have received our soap products
- Over 8,000 hospitality partners
- Recycling from more than 1,100,000 hotel rooms daily
- Diverted 20 million lbs of waste from landfills
- Over 2 million lbs of plastic recycled
- 92% of our donations go directly toward the mission
- 3.43 million lbs of bottles repurposed and sent to Clean the World's Hygiene Kit Program
- Over 5 million hygiene kits distributed
- Clean the World has contributed to a 60% decrease in number of deaths for children under 5 since 2009
- Recycling operations centers (ROCs) located in Orlando, Las Vegas, Hong Kong, Amsterdam and Punta Cana. Offices also located in Washington DC, Montreal, London and Singapore.
- 60+ full-time jobs created
- More than 500,000 volunteers have contributed over 1,000,000 hours of service
