

FRESH START WASH & WELLNESS PROGRAM

Clean the World is on an impactful journey to stop the spread of COVID-19 in our unsheltered communities.

The Challenge

An estimated 500,000 individuals experience homelessness in the US on any given day. Many of these individuals struggle to get back on their feet and lack access to basic amenities needed to keep them safe and healthy. Clean the World is on a mission to reduce the spread of COVID-19 within our unsheltered community while combating homelessness.

The Solution

Clean the World, a leader in global sanitation and hygiene has developed the Fresh Start WASH & Wellness Program. The program consists of mobile shower units, WASH (water, sanitation, & hygiene) and wellness (COVID-19 testing, HEPA/ HEPC vaccinations, and illness prevention) services. Clean the World is looking to partner with local organizations that provide emergency shelter, food, clothing, medical care, detoxification services, and hygiene supplies in effort to connect people in need to services that will benefit them most.

Ask us how to bring the Fresh Start WASH & Wellness Program to your community!

Our Impact

- 42,000+ showers given
- 57,000+ hygiene kits distributed
- 15% decrease in homelessness within first 6 months of service
- 700+ ID/birth certificates

Making a Difference

- Provides over 20 wrap-around services to the un-housed
- 54% increase in number of service referrals

FRESH START WASH & WELLNESS PROGRAM

Health, Hope, and Dignity, Delivered.

Providing the at-risk population access to clean water, soap, and washing facilities helps reduce the risk of infection and illness, as well as the spread of viruses like COVID-19 in the community. Clean the World will work closely with local organizations to bring health, hope, and dignity to individuals and families in need of assistance. The mobile shower is fully-staffed, self contained, and equipped to provide over 50 showers per day.

Key Highlights of the Mobile Shower

- Completely mobile, self-contained
- 36ft lightweight trailer
- Provides up to 250 showers weekly
- 4 private, independently run stalls (sink, toilet, shower, and dressing area)
- Equipped with baby changing station
- No outside water or power source needed

Together, with the partnership of local service providers, Clean the World's Fresh Start WASH & Wellness Program will come alongside organizations as an added driving force toward a successful transition to housing, treatment, and job placement services for this under served community.
