We contributed to a

-35%

decrease in number of
hygiene-related deaths for
children **under 5** since **2009**

Recycling from
+1,000,000
hotel rooms daily

+1.3 Million
pounds of plastic
recycled

+3,000,000
pounds of bottles
re-purposed for
Hygiene Kits

of waste diverted from landfills since **2009**

Clean the World is a social enterprise in Orlando, FL that works with **5,000 hospitality partners** to recycle soap and bottled amenities discarded by hotel guests. We distribute these soaps and other donated hygiene products to people without access to soap to help prevent the millions of deaths caused by **hygiene-related illnesses** every year.

RECYCLE SOAP. SAVE LIVES.
